

C.49 from Russian Federation + group of states
2/2

Amendment to C.13

Op9 Further calls upon States to ensure that reporting requirements placed on individual, groups and organs of society do not inhibit functional autonomy, and ~~that restrictions are not~~ **to consider removing** restrictions discriminatorily imposed on potential sources of funding aimed at supporting the human rights defenders' work **which is in accordance with the article 29 of the Universal Declaration of Human Rights**, other than those ordinarily laid down for any other activity unrelated to human rights within the country, to ensure transparency and accountability ~~and that no law should criminalize or delegitimize activities in defense of human rights on account of the geographic origin of funding thereto~~
